## IMPORTANT NOTICE

Ref : CCS/MA1/MO/2023\_NT0125  
Date : 25<sup>th</sup> January, 2023  
To : All Valued Owners/Tenants  
Subject : **Scheduled Electricity Interruption**

Kindly be informed that there will be a **temporary shutdown** of electricity power supply as per notice by TNB to facilitate their maintenance works.

Block	Affected Areas	Date	Time
Block B	All Units at Block B	27.01.2023 (Friday)	12.00am – 05.00am (5 hours)

Under such circumstances, it is advisable to take preventive measures across your critical facilities and work tools, to mitigate any loss of data in computers or servers. The Management strongly advises to **turn off and unplug sensitive electronic devices such as modems, computers and servers during this exercise.**

You are advised to arrange your own back-up power supply if your equipment/system or fish tank requires uninterrupted power supply to protect the assets in your unit as the Management will not be responsible for any losses, damages or incidents during the disruption of power supply.

For **Card Access doors without standby battery back-up**, the Management recommends that these doors be **manually closed over this period of time.**

During this period, you are advised to keep your mobile phone fully charged and a torchlight handy. If there is an emergency, please use the firefighting staircases.
