IMPORTANT NOTICE

Ref : CCS/MA1/MO/2024_NT0527
Date : 27 May 2024
To : All Valued Owners/Tenants
Subject : **Scheduled Electricity Interruption**

Dear Valued Owner/Tenant,

Kindly be informed that there will be a **temporary shutdown** of the electricity power supply to the common areas to facilitate for the maintenance works at the Basement 1 HT Room. The shutdown is as scheduled below:

Affected Areas	Date	Time/Work Duration
Common areas including lifts, lights in the common area (lift lobbies, corridor, Basement 1 & 2 carpark) & barrier gates.	09.06.2024, Sunday	08.00am – 10.00pm (14 hours)

Under such circumstances, it is advisable to take preventive measures across your critical facilities and work tools, to mitigate any loss of data in computers or servers. The Management strongly advises to **turn off and unplug sensitive electronic devices such as modems, computers and servers during this exercise.**

You are advised to arrange your own back-up power supply if your equipment/system or fish tank requires uninterrupted power supply to protect the assets in your unit as the Management will not be responsible for any losses, damages or incidents during the disruption of power supply.

For **Card Access doors without standby battery back-up**, the Management recommends that these doors be **manually closed over this period of time.**

During this period, you are advised to keep your mobile phone fully charged and a torchlight handy. If there is an emergency, please use the firefighting staircases.
